FOR IMMEDIATE RELEASE

Utility Trailer ensures that its dealer network of more than 100 locations through North America offers the most competitive parts pricing in the industry. Utility Trailer offers one of the largest, most in-depth lines of quality trailer parts for both trucks and trailers in North America – **more than 100,000 parts and more than 140 brands** -- available to every Utility Trailer dealer from coast-to-coast.

As an industry leader, Utility Trailer has the buying power to provide its dealer network with a broad range of competitively priced products. And by partnering with many key suppliers, they are able to provide monthly/quarterly specials to their dealers for greater savings on the parts used every day. An on-line ordering system guarantees fast turn-around and shipment.

The Aftermarket Parts Division of Utility Trailer Manufacturing Company operates from two 75,000 sq. ft. distribution centers: Sharonville, OH (Cincinnati area) and City of Industry, CA (Los Angeles area). All Utility Trailer dealers use quality parts; hire the industry's best technicians; and work together to get the job done right so the Utility Trailer customer is right back on the road.
